The Dead Yard: A Story of Modern Jamaica Ian Thomson

Named the Dolman Travel Book of the Year, *The Dead Yard* paints an unforgettable portrait of modern Jamaica. Since independence, Jamaica has gradually become associated with twin images--a resort-style travel Eden for foreigners and a new kind of hell for Jamaicans, a society where gangs control the areas where most Jamaicans live and drug lords like Christopher Coke rule elites and the poor alike.

Ian Thomson's brave book explores a country of lost promise, where America's hunger for drugs fuels a dependent economy and shadowy politics. The lauded birthplace of reggae and Bob Marley, Jamaica is now sunk in corruption and hopelessness. A synthesis of vital history and unflinching reportage, *The Dead Yard* is "a fascinating account of a beautiful, treacherous country" (*Irish Times*).
