The Privilege of the Saints David P. Ward

The Privilege of the Saints reflects the author's passion to see all Christians live up to their God given position in Him, to see them overcome evil with good and the evil one with the authority they have been given, to see them live above the world and its lusts, and to see them triumph in Christ everyday of life. To that end, he enunciates some the privileges granted to the saints to live just such lives, like the privileges of praise, prayer, position, and power. After all, our Father has already given us everything we need to live Godly lives. But how many of us realize the fullness of what His death on the cross granted us? How many of us employ "everything" He has granted us to truly reflect His glory and partake of His divine nature?
