Have you ever tried to read *The Scarlet Letter* but realized midway through the second sentence that you were already lost? *No Fear: The Scarlet Letter* will change all that. No need to worry about losing the thread anymore: whenever Hawthorne's sentences become too convoluted to follow, or you can't figure out exactly what he's talking about, simply look across at the right-hand page and a simplified, modernized text—using the kind of English we actually speak today—will set you back on track. Soon you'll be reading Hawthorne's own words fearlessly—and actually enjoying it.
