Custom Knits 2: More Top-Down and Improvisational Techniques Wendy Bernard

In *Custom Knits 2*, Wendy Bernard picks up where she left off in the bestselling *Custom Knits* (published by STC Craft), empowering knitters to delve even further into customization. Each chapter begins with a tutorial on the featured topic—such as converting patterns to fit men, women, or children, or tricks and techniques for substituting yarn, gauge, and stitch patterns—and is followed by a selection of Bernard’s fashionable designs on which to try them. The patterns can be knit as-written or customized; specific prompts for customization are included throughout. *Custom Knits 2* concludes with formulas for making garments without a pattern, using only body measurements as a guide—a graduation of sorts for adventurous knitters.

Custom Knits 2:

“If you thought you learned a lot with Wendy Bernard’s first book, *Custom Knits*, hold on to your calculators, knitters! If *Custom Knits* showed you how do some top-down gymnastics, *Custom Knits 2* invites you to join Cirque du Soleil with your brain.”
