John Fante

The Bandini Quartet: Wait Until Spring, Bandini: The Road to Los Angeles: Ask the Dust: Dreams from Bunker Hill John Fante

Possessing a style of deceptive simplicity, emotional immediacy and tremendous psychological point, among the novels, short stories and screenplays that complete his career, Fante's crowning accomplishment is the Arturo Bandini tetralogy. This quartet of novels tell of Fante's fictional alter-ego Bandini, an impoverished young Italian-American escaping his suffocating home in Colorado for Depression-era Los Angeles. In the beginning, it is the triple weights of poverty, father and Church that Bandini struggles under but though the physical escape is complete, the psychological imprint continues as he comes to terms with love, desire and the knowledge his talent may not be recognised.
