Romance: Burn me again (Contemporary Bachelors Alpha Male Romance) (Short Romance Stories Alpha Male Book 1) Becky Harris

I guess we'd been best friends pretty much forever. I remember the day we met like it was yesterday. It was the first day of kindergarten and I was latched onto the pant leg of my mother's designer suit, begging her not to leave me. I didn't realize then that Body would be one of the best friends I ever had. I know I didn't realize then that I would love him more than anyone else. Now, after years and years together, he's made a promise to me. I just hope he can keep it.
