Tchaikovsky: The Man and His Music

David Brown

Tchaikovsky: The Man and His Music David Brown

A masterful exploration of the relationship between Tchaikovsky's life and his music.

In this distinctive new work on Tchaikovsky, David Brown uniquely combines a lively biography of Russia's best-loved composer with a chronological guide to his music, ranging from the popular symphonies, concertos, operas and ballets like *Swan Lake* and *The Nutcracker*, to some lesser-known pieces. Brown skillfully guides the reader through Tchaikovsky's music within the context of his life, and the result is an edifying journey through some of the greatest and most moving music ever composed. As for Tchaikovsky himself, he emerges as a man dogged with bouts of depression but capable of great kindness, devoted to his family, unstinting with his time and money, even on behalf of virtual strangers. It is no wonder that when he died, he was given a state funeral, nor that the massive crowds lining the streets delayed the procession to the cemetery by five hours.
