The Oxford History of the Biblical World

The Oxford History of the Biblical World

In this impressive volume, leading scholars offer compelling glimpses into the biblical world, the world in which prophets, poets, sages, and historians created one of our most important texts--the Bible.

For more than a century, archaeologists have been unearthing the tombs, temples, texts, and artifacts of the ancient Near East and the Mediterranean world. Using new approaches, contemporary scholars have begun to synthesize this material with the biblical traditions. *The Oxford History of the Biblical World* incorporates the best of this scholarship, and in chronologically ordered chapters presents the reader with a readable and integrated study of the history, art, architecture, languages, literatures, and religion of biblical Israel and early Judaism and Christianity in their larger cultural contexts. The authors also examine such issues as the roles of women, the tensions between urban and rural settings, royal and kinship social structures, and official and popular religions of the region.

Understanding the biblical world is a vital part of understanding the Bible. Broad, authoritative, and engaging, *The Oxford History of the Biblical World* will illuminate for any reader the ancient world from which the Bible emerged.

From reader reviews:

Roger Ruelas:

Here thing why that The Oxford History of the Biblical World are different and trusted to be yours. First of all looking at a book is good nevertheless it depends in the content than it which is the content is as tasty as food or not. The Oxford History of the Biblical World giving you information deeper as different ways, you can find any guide out there but there is no reserve that similar with The Oxford History of the Biblical World. It gives you thrill studying journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your method home by train. When you are having difficulties in bringing the paper book maybe the form of The Oxford History of the Biblical World in e-book can be your alternate.

Christopher Clarke:

The Oxford History of the Biblical World can be one of your basic books that are good idea. All of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort that will put every word into enjoyment arrangement in writing The Oxford History of the Biblical World but doesn't forget the main position, giving the reader the hottest in addition to based confirm resource data that maybe you can be among it. This great information can drawn you into completely new stage of crucial thinking.

Brian Roberts:

This The Oxford History of the Biblical World is great book for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. That book reveal it facts accurately using great plan word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but difficult core information with lovely delivering sentences. Having The Oxford History of the Biblical World in your hand like finding the world in your arm, information in it is not ridiculous a single. We can say that no guide that offer you world in ten or fifteen minute right but this book already do that. So , this is good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?

Charles Thomas:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Oxford History of the Biblical World can make you sense more

interested to read.
