The True Cost of Low Prices: The Violence of Globalization

Jeffry Odell Korgen, Vincent A. Gallagher

The True Cost of Low Prices: The Violence of Globalization Jeffry Odell Korgen, Vincent A. Gallagher
Built upon the structure and content of the successful first edition (currently in its eighth printing), this second edition of *The True Cost of Low Prices: The Violence of Globalization* examines the effects of globalization on the earth's poorest and most vulnerable people within the context of scripture and church teaching. The text engages the reader with stories of the women, men, and children living in poverty who have experienced both the promise of the global economy and its troubling outcomes.

The nine thematic chapters begin with a story of a person affected by a particular dimension of the violence of globalization. That is followed by a description of the signs of the times, including the topic's relationship to low prices, and then by what the church teaches, utilizing the Catechism, the Compendium of the Social Doctrine of the Church, papal encyclicals, the documents of Vatican II, and the statements of the U.S. Catholic bishops. Each chapter concludes with signs of hope, descriptions of groups and strategies that make a difference. Each chapter also includes discussion questions and suggestions for making a difference.

From reader reviews:

Martha Silva:

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is within the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take The True Cost of Low Prices: The Violence of Globalization as the daily resource information.

Kirby Paradiso:

Reading a reserve can be one of a lot of task that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new information. When you read a guide you will get new information since book is one of a number of ways to share the information or even their idea. Second, reading a book will make you actually more imaginative. When you studying a book especially fictional works book the author will bring someone to imagine the story how the figures do it anything. Third, you could share your knowledge to some others. When you read this The True Cost of Low Prices: The Violence of Globalization, you are able to tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a publication.

Joan Beverly:

Typically the book The True Cost of Low Prices: The Violence of Globalization has a lot of information on it. So when you make sure to read this book you can get a lot of help. The book was written by the very famous author. This articles author makes some research just before write this book. This kind of book very easy to read you will get the point easily after perusing this book.

Nancy Steffen:

Precisely why? Because this The True Cost of Low Prices: The Violence of Globalization is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the publication store hurriedly.
