This text is a narrative style exam review text for two of the most popular sonography certification exams in abdomen and obstetrics and gynecology by the ARDMS (American Registry of Diagnostic Medical Sonography) and ARRT (American Registry of Radiologic Technologists) certification granting bodies. This resource is ideal for ultrasound programs requiring a certification review manual for either a review course or for use throughout the curriculum, as well as any professional preparing for certification. Questions and answers are included within the text.

A companion website offers an online exam simulation, customizable for both ARDMS and ARRT exam formats.
