**True Criminal Minds, Volume II: Interviews with Real Life Serial Killers** Brian Lee Tucker

In *True Criminal Minds: Interviews with Real Life Serial Killers: Volume II*, author Brian Lee Tucker once again strips away all of the glitz and glamour so often associated with the romanticizing and glamorizing of modern day so called "true stories", featuring charming, suave serial killers that women just can't seem to stay away from.

In Volume II, Tucker has once again researched some of the worst serial killers to ever walk the planet, including:

- "The Dracula Killer", Richard Trenton Chase, who cannibalized his victims and then drank their blood
- "The Brooklyn Vampire", Albert Fish, who murdered and cannibalized young children
- "The Broomstick Killer", Kenneth Allen McDuff, one of the worst sexual predators in modern Texas history and the only one condemned to die by three Texas juries
- "The Night Stalker", Richard Ramirez, a self-admitted Satanist who slaughtered 14 people in cold blood and even gouged out one of the victim's eyes to take as a trophy
- "The Hillside Stranglers", Angelo Buono and Kenneth Bianchi, who raped, strangled, and dumped their victims by the side of the road like trash

Bonus material: An in-depth interview with "Son of Sam", David Berkowitz, speaking out on his conversion from mass murderer to born-again Christian. Amityville mass murderer Ronald DeFeo, Jr., speaks out about his innocence in the murders of his family.
